

Princess Anne Road Corridor Improvements (UPC 112758)

Location

Princess Anne Road (between Church Street and Ballentine Boulevard)

Project Benefits

The goal of this project is to improve safety and multi-modal accessibility for all modes of transportation while maintaining efficient traffic flow. Citizen input will allow Department of Transit to address issues seen by citizens and residents on a daily basis.

Scope of Work

- Upgraded signal at Princess Anne Road and Majestic Avenue
- Public coordination gathering input on how residents and commuters utilize Princess Anne Road and locations where they have issues
- Project locations along the corridor will be identified and conceptual designs will be prepared for the Citizen Information Meetings

Project Status

Design

Project Schedule

- Anticipated construction start: Late 2023
- Anticipated construction completion: Late 2024

Project Funding

Urban State Funding (98% Federal/State, 2% Local)
\$3,000,000
